

---

Stay **at Home** for well-being of **me, my family and relatives** during this Lunar New Year's holiday, Please send your regards **by phone** rather than **meeting each other.**

---

[Lunar New Year's holiday Special Quarantine Period : ~2.14,  
recommendation of travelling restriction]

① **Maintain a ban on private gatherings for at least five people.**

② **The Government prepared for Lunar New Year Quarantine Measures**

- Use personal vehicles when traveling, refrain from eating food when using public transportation and minimize the time to spent at rest area
- (Public transportation) Wear mask and refrain from eating food.
- (Highway rest facilities) table screen use, single-seated seating arrangement

③ **Strengthen Facility Quarantine Management at Workplaces with High Risk Infection during Lunar New Year's holiday Period**

- (Department stores, marts, etc.) Employees and customers mask wearing, restrains such as e vents and tastings
- (Elderly care facility & hospital) In case of inevitable circumstances, contactless visitation as a pre-booking agent

④ **Continuous Operation of Quarantine Medical System during Holiday Period**

- (International inflow blocking) Diagnosis test within 3 days and 14-days quarantine implementation for all overseas visitors
- (Telephone consultation) KDCA call center (☎ 1339) 24 hours operation
- (Diagnostic test) Information on screening clinic available during the holiday period and operation of emergency medical systems such as emergency rooms, etc.
